

STEPS FOR A MARKETPLACE APPEAL

1 |  Review your "Eligibility Results."

Don't agree? Your "Eligibility Results" notice tells how much time you have to start an appeal.

2 |  Mail or fax an **appeal request** form or letter.

To get the form, visit **[HealthCare.gov/marketplace-appeals](https://www.healthcare.gov/marketplace-appeals)**.

3 |  Try to **resolve the appeal** informally.

The Marketplace Appeals Center will contact you.

4 |  Request a **hearing**.

A hearing is only needed if you can't resolve your appeal informally.
